UNIVERSITY *of* **WORCESTER**

JOB DESCRIPTION

Job Title: Associate Lecturer in Computing	**Band AS1:** £39.41 per hour inc preparation, marking & course administration plus £8.67 per hour holiday pay
School: Worcester Business School	
Department: Computing	
Reporting directly to: Head of the Department	
Supervisory responsibility for: N/A	

Main Duties*:

1. To take responsibility for the development and delivery of learning, teaching and assessment across a range of undergraduate and postgraduate courses.

2. To demonstrate appropriate and innovative pedagogic approaches to support classroom-based, experiential and work-based learning.

3. To ensure that the teaching for which you are responsible is informed by contemporary research, scholarship, knowledge exchange and professional practice, and develops the ability of students to engage in debate, critical discourse and thinking.

4. To reflect critically on teaching for which you are responsible; implementing improvements, disseminating good practice and contributing to quality monitoring & enhancement.

5. To provide students with high quality academic advice and guidance.

6. To contribute to enhancing the external profile of the University through, for example, working with a range of external partners, corporate clients and professional bodies.

7. To undertake the duties of the post in ways that ensure and enhance the health, safety and wellbeing of students and staff and to promote inclusion and diversity for all sections of the community.

8. To work within and help to enhance the University's commitment to environmentally sustainable ways of working.

*The above does not represent an exhaustive list of duties associated with this role.

Selection Process:

1. Interview

2. A 20-minute teaching session on a topic relevant to a subject area you are applying for to a small panel role-playing 3rd Year (level 6) Undergraduate students.
